

PROFILE SUMMARY

Cyber Security undergraduate pursuing B.Tech in Computer Science (Cyber Security) at Marwadi University. Strong foundation in networking, Linux, Python, and security fundamentals. Hands-on experience through TryHackMe labs, Capture The Flag (CTF) competitions, and cybersecurity certifications. Passionate about vulnerability assessment, network security, threat analysis, and secure system administration.

FUNCTIONAL AREAS

- Cyber Security
 - Network Security
- Vulnerability Assessment
 - Security Operations
- Linux Administration
 - Ethical Hacking

TECHNICAL SKILLS

- Programming - Python, Java, C
- Frontend Development - HTML, CSS, React
- Backend Development - Express.js
- Networking - TCP/IP, DNS, Routing & Switching, Network Troubleshooting
- Cyber Security - Network Security, Vulnerability Assessment, Security Fundamentals, CTF Challenges
- Cloud & Cloud Security - Amazon Web Services (AWS), Cloud Computing Fundamentals, Cloud Security Basics
- Operating Systems - Linux, Windows
- Database - SQL
- Web Technologies - HTML, CSS, React

EDUCATION

B.Tech in Computer Science (Cyber Security), Marwadi University

2024 – 2028

EXPERIENCE

- YouTube - Content Creator

Jan 2021 - Present

Create and publish content through the CS CHARAN YouTube channel.
- HackHalt Cyber Intelligence Council - Cybersecurity Intern

Jun 2026 - Jul 2026
